

### *A Prayer for the Feast Day of St Joseph*

May the blessings of Joseph be among us  
Attuning us to God's will each day  
Attuning us with humility to those around us  
Attuning us to God's dream of love among us.

May the blessings of Joseph be among us  
Listening to our children  
Living as loving and forgiving families  
Living hospitably even in difficult circumstances.

May the blessings of Joseph be among us  
Still opening us to the future  
Still cooperating in discerning our life's dream  
Still keeping us alive with love from daybreak to daybreak.

May the blessings of Joseph steep our souls and give us great joy!

#### *A piece of College history*

Over the past few weeks I've had the privilege of visiting the Year 7 classes to answer their questions about the history of the College and to share with them some of the stories about the early days. They are often keen to hear about the first group of students and staff.

One of the founding members of staff was Sister Mary Dwyer RSJ. Sister Mary is a Sister of St Joseph, the order of religious women started by St Mary of the Cross. She was our first Year 7 Level Leader and Religious Education Leader, was on staff for the first four years and was an incredibly dynamic woman who really helped to establish the welcoming and open culture that is so much a part of the College, even today. For many years now Sister Mary has devoted her life to working in Peru.

Through Sister Mary and the Sisters of St Joseph who were on staff after her, the College has a long association with the Sisters of St Joseph and their particular charism has contributed to who we are today. Our Arts Centre is built on the site which was originally their convent.

A number of the Sisters of St Joseph still live locally and

are involved in Sacred Heart – Emmaus parish, Cana Catholic school and local ministries. We thank them for their dedicated service to the College over the years and wish them well, particularly this week, as they celebrate their Feast Day, the Feast of St Joseph.

#### *A week of celebrations!*

This week has been marked by a number of celebrations at the College. We've celebrated Catholic Education Week with 'Brekkie and Books' in the library on Tuesday morning and the St Pat's Day mass for schools yesterday; the centenary of the Mary MacKillop Chapel in Sydney with a lunchtime concert on Wednesday and we've finished with National Harmony Day today.

It's been a busy week but lots of fun. Thank you to all the students and staff who've organised and participated in the different activities.

It was great that a number of families could also join us for breakfast on Tuesday. A yummy breakfast, good company, time to chat and read – not a bad way to start the day!

### *MacKillop Lunchtime Concert*

Congratulations to all the very talented students who performed at the lunchtime concert on Wednesday. What a talented group of singers and musicians we have at the College! It was lovely to relax in the sun and to listen to their fine work.

A number of these students also performed at the recent Watergardens Street Vibes Music Festival. The very positive feedback on their performances was richly deserved.

Thank you to Michelle Farrugia and Clarence Marshall for all their work in supporting students in these activities.

The work of the performers was well supported by the St Vinnie's crew who ran a donut fundraiser for Project Compassion alongside the concert.

Thank you to *Annie Dinh (8 Edison), Anita Doan (8 Edison), John-Paul Jarlego (10 McAuley), Vincent Julian (10 McAuley), Karina Levchenkova (9 Curtin), Emily-Ana Miskovic (7 Yarra), Michelle Nguyen (8 Clark), Chloe Nunan (8 Attard), Madelyn Ruel (8 Edison), Jessie Stevens (7 Yarra), Carine Taylor (9 Lyons), Kian Virtuzado (8 Attard), Lorenzo Antonio, (9 Barton), Frances Micallef (10 Little), Selena Para (7 Avoca), Chu Chu Kruataye (10 Mannix), Jessica Ruel (7 Snowy), Pearl Boakai (10 Mannix) and Brad Bellard (7 Snowy)* for all your hard work.

### *Harmony Day Celebrations*

The 21<sup>st</sup> March marks National Harmony Day across Australia. This day aims to promote respect, fairness and a sense of belonging for everyone who calls Australia home – from the traditional owners of this land to those who have come from many countries around the world.

The key message Harmony Day is that 'everyone belongs'. This is something that we believe deeply as a school community and try to live out in all that we do.

Orange is the colour associated with Harmony Day but more importantly at CRC St Albans it is associated with one of our key school values: Equality.

At last count, students, families and staff in our school community come from some 51 different countries, therefore, understanding and appreciating all cultures, treating each other justly and giving everyone a fair go are very important to us. Although there are times when we don't do this as well as we'd hope, the wider community could learn much from our students about living together in harmony and about being comfortable with difference.

Our Student Leaders have organised a number of

activities to help us mark this day. These are not only fun but also raise awareness and help to celebrate the rich diversity of our community.

### *Year 8 Country Escape*

From all accounts the students and staff who attended the Year 8 camps last week had a terrific time. They all returned tired but very happy. For some students there were a number of firsts; camping out in tents, time in the bush around Gembrook and life without technology for two days!

For much of this camp students have to be open to new and different experiences, and to challenge themselves in activities they might not normally do. The staff attending the camp were very impressed with the Year 8 students; their readiness to participate fully in the experience, their support of each other and the way they responded to the challenges set.

On the behalf of Year 8 students and their families I'd like to thank Len Tobin (Year 8 Level Leader) and Monalisa Cantsilieris (PE & Health Leader) for organising the camp, as well as all the staff who attended. Without their generosity and commitment to this type of experience there would be no camp.

### *Best wishes*

On Wednesday 26 students will head off to the SACCSS Swimming Carnival at MSAC. This is our biggest squad for some time. We wish all competitors well and hope that each of them is able to achieve a personal best on the day.

### *Dismissal arrangements: 1<sup>st</sup> and 3<sup>rd</sup> April, 2014*

Due to the Parent / Student / Teacher interviews students will be dismissed at **2.15pm** on **Tuesday 1<sup>st</sup> April** and **Thursday 3<sup>rd</sup> April 2014**. Study Support will run as normal until 4.00pm and the library will be open until 4.30pm.

As all teachers are involved in the interviews we'd ask that students who are not waiting for their parents or to collect younger brothers and sisters from Sacred Heart head straight home on these days. Those waiting are asked to go to the library or to study support.

### *End of term dismissal*

Classes finish at the normal time of 3.05pm on the final day of term.

### *Cybersafety Awareness Evening*

Earlier this week all families received an invitation to the ACMA Cybersafety Night on **Monday 24<sup>th</sup> March**.

It would be great if all families, particularly those with children in Years 7 and 8 could attend **one** of the workshops; either at **5.00 – 6.30pm** or the session from **7.00 – 8.30pm**.

I know that many parents / carers will have attended similar nights, either in primary school or at the College, however, this is an area in which we can never learn enough. With the rapid evolution of technology it's difficult for adults to keep up. This is as true for teachers as it is for parents and carers. These workshops provide a chance to see what the latest risks in this area might be and to explore ways to minimise these. I hope to see many of you on Monday night.

### *Changes to the Privacy Act*

Changes to the Australian Privacy Act came into effect on March 12<sup>th</sup>. The updated College Privacy policy can be found on our website at:

[www.crcstalbans.catholic.edu.au](http://www.crcstalbans.catholic.edu.au). At the end of the newsletters families will find an updated Standard Collection notice. This reflects the changes in the Act.

### *Lost Property*

There are several items of uniform in the office waiting for their owners to reclaim them, particularly items 'lost' at the swimming carnival.

I'd encourage all families to check that students still have the items purchased at the beginning of the year and then contact Anne Stokie if items are missing.

If items of uniform are clearly labelled we ensure that they're returned to the student, however, this is not possible with unmarked items. Families may wish to check this as well.

### *Newsletter*

The newsletter is published fortnightly and distributed on **Day 5 (Friday Week 1)**. Students will have a chance to read it before placing it in their diary to be taken home to parents that evening.

Newsletter Days for Term 1 2014:

21<sup>st</sup> March            4<sup>th</sup> April

The newsletter can also be accessed on Friday morning (Day 10) on the College website at:

<http://www.crcstalbans.catholic.edu.au>

### *Applications for Year 7 2015*

Enrolments are now being taken for Year 7 2015. Application forms and College Information packs can be obtained from the front office at any time. The application form can also be downloaded from the College website at [www.crcstalbans.catholic.edu.au](http://www.crcstalbans.catholic.edu.au).

### *Since our last newsletter.....*

Over and above the day to day activities of the school since our last newsletter students, families and staff have participated in the following:

SACCSS Swimming Training

Yr 8 Country Escape

Year 10 R.E excursion

Year 9 Project Rockit incursion

Brekkie and Books

Family Nights for Year 7 Snowy, Yarra and Kiewa

Archbishop's conversation with young people

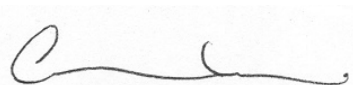

St Pat's Day mass

Harmony Day

MacKillop Concert

Year 11 Psychology excursion

I am sure that students and their families are very appreciative of all these opportunities and the time and energy that staff put into organising and offering these experiences.

# MEDIA ARTS NEWS

Brittney Ragland Year 9

During term 1, both Year 9 Media Arts classes visited ACMI for an excursion. We were introduced to the SCI-FI genre and found out about B-grade films. We learnt about the different conventions that are included in SCI-FI films and that B-grade films are films that are made on a low budget.

When producing our films we had to go through 3 different stages to complete the final product. First thing we had to do was plan out our film, make props, find costumes suitable for our film, and find places where we could film. Second step we did was the actual filming part of it all. The final step was making a rough cut, which then turned into a final cut along with producing a soundtrack using only our voices. For the film setting we used the city as our backdrop, utilising the different locations we could find in federation square. Some groups went down to the Yarra River, while others used the buildings as a background.

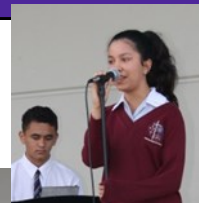

We learnt different skills while editing out films like how to add special effects, how to use and edit with a green screen and how to make a soundtrack with only our voices. This excursion was a fun experience and helped us gain skills to use in future media projects. What I'm looking forward in media is expanding my knowledge and skills about film making and the different aspects of film. Overall, the year 9 media classes enjoyed this excursion and were happy with the results in our films.

## Lunchtime MacKillop Concert 19th March

A concert was held at the college on Wednesday to celebrate St Mary MacKillop Day and money was raised during the event with the sale of Doughnuts.

**Questions for thought:**  
 Jesus spoke to the Samaritan woman who a lot of people didn't like. Are there moments when you don't talk to someone because you don't like them?  
 Jesus shows us how to treat others with compassion and respect. How can you try to achieve this?

**St Vinnie's Corner**

**Mary MacKillop Day**

The Mary MacKillop Memorial Chapel in Sydney celebrated 100 years since its Consecration by Archbishop Kelly on the 19th March 1914.

As a college we celebrated this occasion by contributing to the time capsule and having a Mary MacKillop Day here at school. A special thanks to students who performed in the lunchtime concert and to everyone who helped to make this a special day.

**St Patrick's Day Mass**

On Thursday 20<sup>th</sup> March, 10 students attended the Catholic Education Week St Patrick's Day Mass at the St Patrick's Cathedral in town.

All Catholic schools in Melbourne were represented and it was an amazing liturgy; full of symbolism and tradition. After the Mass we attended the outdoor concert and shared a meal together. Congratulations to the 10 students in attendance, for their prayerfulness, positive contributions and for representing our college in fine form.

**Project Compassion**

**Third Sunday of Lent' - Gospel Reflection**

A reading from the holy Gospel according to John (Jn 4:5-42)

Jesus came to the Samaritan town called Sychar, near the land that Jacob gave to his son Joseph. Jacob's well is there and Jesus, tired by the journey, sat straight down by the well. It was about the sixth hour. When a Samaritan woman came to draw water, Jesus said to her, 'Give me a drink.' His disciples had gone into the town to buy food. The Samaritan woman said to him, 'What? You are a Jew and you ask me, a Samaritan, for a drink?' – Jews, in fact, do not associate with Samaritans. Jesus replied:

*'If you only knew what God is offering and who it is that is saying to you: Give me a drink, you would have been the one to ask, and he would have given you living water.'*

'You have no bucket, sir,' she answered 'and the well is deep: how could you get this living water? Are you a greater man than our father Jacob who gave us this well and drank from it himself with his sons and his cattle?' Jesus replied:

*'Whoever drinks this water will get thirsty again: but anyone who drinks the water that I shall give will never be thirsty again: the water that I shall give will turn into a spring inside him, welling up to eternal life.'*

'Sir,' said the woman, 'give me some of that water, so that I may never get thirsty and never have to come here again to draw water. I see you are a prophet, sir. Our fathers worshipped on this mountain, while you say that Jerusalem is the place where one ought to worship.' Jesus said:

*'Believe me, woman, the hour is coming when you will worship the Father neither on this mountain nor in Jerusalem. You worship what you do not know; we worship what we do know; for salvation comes from the Jews. But the hour will come – in fact it is here already – when true worshippers will worship the Father in spirit and truth: that is the kind of worshiper the Father wants. God is spirit, and those who worship must worship in spirit and truth.'*

The woman said to him, 'I know that Messiah – that is, Christ – is coming; and when he comes he will tell us everything.' 'I who am speaking to you,' said Jesus 'I am he.'

Many Samaritans of that town had believed in him on the strength of the woman's testimony, so, when the Samaritans came up to him, they begged him to stay with them. He stayed for two days, and when he spoke to them many more came to believe; and they said to the woman, 'Now we no longer believe because of what you told us; we have heard him ourselves and we know that he really is the saviour of the world.'

### Parent/Teacher/Student Interviews

In the last week of term 1 we will be having Parent / Student / Teacher interviews. These will be held on **Tuesday 1<sup>st</sup> April:**

(3.00 - 5.30 and 6.30 - 8.30pm) and **Thursday 3<sup>rd</sup> April:**

(3.00 - 5.30pm and 6.30 - 8.30pm).

Students will be dismissed at 2.15pm on both days to enable the interviews to begin at 3pm. Letters explaining the interview process were sent home with the students earlier this week.

Students will be expected to bring their portfolios along to the parent/student/teacher interviews.. The main purpose of portfolios is to promote the students' sense of pride and achievement in their work and provide opportunities for families to share in and celebrate progress with them.

### Wearing of School Uniform.

There are occasions when students have been wearing the PE uniform instead of the formal school uniform. It is important that the correct school uniform is worn. I would like to highlight the following to ensure that all families and student have clarity around this important part of our school:

1. Students can only wear PE uniform for the full day if they have PE at Years 7 – 9, and Active Body & Fitness or Biomechanics, Ball Sports & Coaching at Year 10.
2. For Track and Field (Yr 9), Outdoor Ed (Yr 10), Dance (Yr 10) and Drama (Yr 10), students must wear their school uniform to and from school but can change for the class.

### Catholic Education Week Breakfast

Parents staff and students all enjoyed the *Catholic Education Week Breakfast* on Tuesday, thanks very much to Mrs Vella, Mrs Robinson, Mrs Lupa and Mrs Carillo for their work in putting it all together and hosting such a wonderful start to the day in the college Library. . .

## Invitation to CRC Parents

# Cyber Safety Parent Evening

Dear Parents and Guardians,  
Recently at our Family Nights, the Pastoral Care Teachers and Year Level Leaders advertised that the school would host a Cyber Safety information evening for parents and guardians on Monday 24<sup>th</sup> March 2014.

This is a great opportunity for all the adults to receive the most recent information related to managing technology. With all students from Year 8 – 10 having their own I-Pad's and students at year 7 having access to their own lap tops, it is more important than ever that the parents and guardians within the family are able to support their children in the safe use of technology.

The key presenter will be a speaker from ACMA (Australian Communication and Media Authority), who will cover many of the issues currently families and young people are dealing with. Two sessions will be held: Session one at 5.00pm and session 2 at 7.00pm. The details are as follows.

**Date:** Monday 24<sup>th</sup> March 2014  
**Time:** Session 1: 5.00 – 6.00pm  
Session 2: 7.00 – 8.00pm  
**Venue:** CRC St Albans (Hall)

A reply slip has been sent home with your child and an SMS text message has been sent to all families regarding the evening. Please return the reply slip to your child's Pastoral Care Teacher. This will help with our planning for the evening.

Regards,

**Kevin Quinn**

(Deputy Principal – Pastoral Care)
