Easter brings many good things; time with family, time away, a break from school, hot cross buns and easter eggs. However, it's important that amidst all this, we set aside some time to walk with Jesus to the cross and to appreciate more fully the depth of God's love for each of us. I encourage all families to join their parish communities in the ceremonies of Holy Week; particularly Holy Thursday, Good Friday and Easter Sunday. We've included the schedule for Holy Week ceremonies in our parishes in the 'Faith Matters' section of the newsletter.

May the blessings of Holy Week and the joys of Easter be God's gifts to each of you over the next few weeks.

### Thank You

The end of term provides a great opportunity for students and their families to reflect back over the last 8 weeks. It's been a short action packed term. As we approach the holidays we have much to celebrate. Take some time to think about what have been your highlights and all those who helped to make these happen.

As this newsletter marks the end of Term 1, I'd like to thank students, staff and families for all you've contributed to our community in Term 1. Many thanks for everything.

The holidays bring the opportunity for rest, recreation and time with family and friends. Enjoy. I look forward to your return after Easter, refreshed and raring to go.

### Year 7 Family Nights

Over the past six weeks we've been overwhelmed with the support of our Year 7 families for the Family Nights. Thank you for your interest, support and readiness to be involved.

I'm sure that families are delighted with how well students have settled into the school and negotiated the tricky transition from primary school. It is hard to imagine that they have only been with us for 8 weeks! Thank you to all the students who prepared the terrific presentations about their first term. They were entertaining and gave a good insight into the life of a Year 7 student.

These nights are the result of much hard work. On behalf of families, I'd like to thank the Year 7 teachers, particularly the pastoral care teachers and Mr Peter Danger, for preparing the Family Night, and for all their work in supporting the transition of students. Thank you also to the staff and students who prepared our meals. Your support and generosity are very much appreciated.

### Congratulations

Thank you and congratulations to our College Swim team who competed in the SACCSS Interschool Swimming earlier this week. This small squad of 16 swimmers achieved some outstanding results, both individually and in relay events. We are very proud of the commitment, sportsmanship and team spirit shown by all involved.

Congratulations to Megan Flores who was the individual champion in the Junior Girls and Kristopher Mendoza who came second in the Junior Boys championships.

*Continued overleaf*

On behalf of the swim team, I'd like to thank Mr Garry Connor, Mr Daniele Zarosinski and Mr Mark Donahoo for all their work with the team in the lead up to the carnival and for accompanying the team on the day.

## Start of Term 2

Term 2 will begin on Tuesday 18 April. This will be Day 2 of the timetable. There will be some minor changes to the timetable so we ask all students to check their timetable before returning to school.

## Uniform

From the beginning of Term 2 all students will need to be in full winter uniform. This includes wearing the blazer to homeroom each morning, and the wearing of the school tie for both boys and girls. The uniform policy and requirements are in the Student Diary.

The holidays provide a good opportunity for families to check uniform items, to buy school shoes if these are needed, to let down hems if the kilt is too short, to mend PE uniforms that have been worn etc... There's really no excuse for students not being in full uniform at the beginning of term. I ask the support of families in this matter.

## Holidays: a great time for getting into books.

I know that in many families computer games are put away / not allowed / rationed during term time and brought out during the holidays. However, holidays are also a great time for reading (and sport, getting together with family and friends, playing, enjoying the outdoors, pursuing other interests). Time online is very much the world of people today, however, like all things, it needs to be kept in balance and proportion to other activities! Hopefully, all students will set aside

some time to enjoy a book or two. This is the chance to read, not what you have to but what you choose to, a chance to visit a completely different world.

Early Finish for Student Parent Teacher interviews

Families are asked to note that classes will finish at the end of period 4 (12.40pm) on Thursday 27 April due to Student / Parent / Teacher interviews.

This year Catholic Regional College St Albans have two Social Justice Captains who have worked very hard alongside the Social Justice Council to raise funds and increase awareness of social justice issues. Here is a brief introduction, from each of the captains and their goals for this year.

#### Thuong Nguyen

Hello, my name is Thuong Nguyen and it is an honour to be your Social Justice Captain for 2017. Social justice gives us an opportunity to understand how lucky we are compared to those who have very little but still live their lives to the fullest. Social justice, to me, plays a big part in our community, as we are giving back to the less fortunate.

Our first project for this year is Project Compassion run by Caritas Australia. Every coin donated goes towards those who strive for a better life and through your donations, it can be made possible. Caritas teaches people how to make a living for themselves. This creates a chain reaction which builds a brighter future for everyone. This year we are striving to raise more than we did last year. **This year our goal was to raise \$1000 and I am happy to say we did it with ease.** To add on, one of the main events we do every year is the Winter Sleepout which allows students to experience being homeless and we are hoping this will be just as successful.

I will work hard as Social Justice Captain and will try to make this year as much fun as possible.

#### Nathan Taylor

Hey everyone! My name is Nathan and I am the Social Justice Captain - Environment. I believe the environment is a really important part of our community. It's how we're able to survive and get resources from. Every single day our resources are lessening, but I want to make sure this school becomes as environmentally-friendly as it can possibly be.

My goal is to increase awareness about the environment, more specifically the garden. Even doing a simple action like putting your rubbish in the bin or putting your recyclables in the recycling bin can provide a huge impact for the environment.

Lastly, our school has a lot of environmental/ social justice related events coming up and it would be really great if more students would participate being in the school garden.

I will try my hardest to fulfil my role At CRC St Albans and I am really excited to see what the future holds.

# YOUTH FOR CAUSES

At the start of term 1, year 10 students were offered the chance to participate in a new program that will be held outside of school with the YMCA. Amongst everyone that signed up, seven lucky students were selected to participate in the program called, 'Youth For Causes'. This program is designed for students to create a social enterprise where 100% of the profits go to their partner organisation, which is chosen by the student group.

On Thursday, 24th of March, seven wonderful students, Fayelene Reyes, Nathan Taylor, Emily Aguila, Tina Bui, Kim Le, Kim Huynh and Thoung Nguyen attended the Launch of Youth For Causes located at Ikon Park in Carlton, where they met with different business mentors that will be leading them throughout the year.

Our next event is this weekend, the 1st and 2nd of April, where we will be attending the Launchpad Camp located at Lady Northcote camp ground. During this time, we will be visiting different social enterprise businesses in the CBD in order to gain more knowledge on what this program is about. Our team will then be given \$1000 seed capital to spend to buy materials and whatever we need to launch our business!

Thanks to these kind-hearted students who have volunteered to work and represent our school, and Hayden for helping us to be a part of this program.

## OUR GARDEN

### Gardening open times during the school holidays ...

If you would like to volunteer some time in our school garden during the school holidays, the garden will be open on Tuesday and Wednesday in the first and second week of the holidays from 10am til 3pm.

Volunteers are asked to report directly to the garden gate on Arthur street (opposite the Ukrainian hall) instead of coming through the front office.

Please bring some lunch, a hat, water bottle and clothing appropriate to the weather.

If you have any questions please don't hesitate to email Hayden at [hodoherty@crcstalbans.com.au](mailto:hodoherty@crcstalbans.com.au)

Let's celebrate our Year 10 students' progress over Term 1.

**Vincent Le** of 10 O'Connell has worked extra hard to perform a cover song on the piano. His persistence and determination are admirable in **Music**.

**Pranvera Nov** of 10 Little has worked consistently to extend ideas through her preliminary drawings when designing her tribal mask in **Visual Arts**.

### ArtVo Young artists Go Crazy!

As an excursion for the Year 10 Visual Communication class the students visited the ArtVo Gallery in Docklands. It is Australia's first immersive art gallery or 'trick art' gallery. Unlike traditional art museums, students were encouraged to touch and interact with the artworks and photograph themselves, becoming part of the art. Students explored how designers and artists created illusion and depth.

### Ice Breaker (Bk 1. The Hidden) by Lian Tanner

Twelve-year-old Petrel is an outcast, the lowest of the low on the *Oyster*, an ancient icebreaker that has been following the same course for three hundred years. In that time, the ship's crew has forgotten its original purpose and broken into three warring tribes. Everyone has a tribe except Petrel, whose parents committed such a terrible crime that they were thrown overboard, and their daughter ostracised.

But Petrel is a survivor. She lives in the dark corners of the ship, speaking to no one except two large grey rats, Mister Smoke and Missus Slink. Then a boy is discovered, frozen on an iceberg, and Petrel saves him, hoping he'll be her friend. What she doesn't know is that for the last three hundred years, the *Oyster* has been guarding a secret. A secret that could change the world.
